

## House Resolution No. 4084

**Whereas**, the members of the Missouri House of Representatives hold in high esteem those Show-Me State residents who admirably have answered the patriotic call to service through enlistment in any of the various branches that make up the United States military; and

**Whereas**, the officers and soldiers of the 203rd Engineering Battalion were deployed to Louisiana from Labor Day, September 1, 2008, to September 15, 2008, for service after Hurricane Gustav; and

**Whereas**, the more than 370-member 203rd Engineering Battalion cleared roads, electric power lines, and easements and provided security in and around their area of operations in eastern and western Feliciana Parish; and

**Whereas**, it is fitting and proper that the Missouri House of Representatives should pause in its diverse daily activities in order to recognize such outstanding Missouri military units as the 203rd Engineering Battalion at momentous times in their histories:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments of the 203rd Engineering Battalion and to convey to all of those involved this legislative body's most heartfelt commendation of their relief efforts after Hurricane Gustav struck the state of Louisiana; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of the 203rd Engineering Battalion.
